

FOREWORD BY DAVID BACH  
INTRODUCTION BY JOEL BAKAN

## PRAISE FOR *ECONOMIX*

"It's simply phenomenal!"

—**DAVID BACH**, founder of FinishRich Media and author of nine *New York Times* bestsellers, including *Debt Free for Life* and *The Automatic Millionaire*

"Goodwin has done the seemingly impossible—he has made economics comprehensible and funny."

—**JOEL BAKAN**, author of *The Corporation: The Pathological Pursuit of Profit and Power*

"An amazing lesson in true-world economics! Delightfully presented, powerful, insightful, and important information! What a fun way to fathom a deep and often dark subject!"

—**JOHN PERKINS**, author of *Hoodwinked* and the *New York Times* bestseller *Confessions of an Economic Hit Man*

"Keynes, Friedman, and Adam Smith battle it out panel by panel. You'll never think of economics as the 'dismal' science again."

—**ANDREW LEONARD**, staff writer for *Salon.com*

"Smart, insightful, clear, and as close to the truth as economics can get. The bonus: Who would have guessed that economics could be fun, and—here's the joy—really accessible? Goodwin roots us in history and fills us with common-sense understanding. If I were compiling a list of the one hundred most important books you can read in a lifetime, this would be on it."

—**STEPHEN PETRANEK**, editor-in-chief of the Weider History Group, former editor-in-chief of *Discover* magazine

"Through a potent mix of comics and punchy, concise, accessible prose, Goodwin takes us on a provocative, exhaustively researched, and exceedingly engaging trip through our history and present day . . . If your mind either spins or slumbers at the thought of economics, read Goodwin's *Economix* and all will become clear."

—**NOMI PRINS**, author of *It Takes a Pillage: An Epic Tale of Power, Deceit, and Untold Trillions*

"*Economix* is a lively, cheerfully opinionated romp . . . Goodwin has a knack for distilling complex ideas and events in ways that invite the reader to follow the big picture without losing track of what actually happened."

—**TIMOTHY W. GUINNANE**, Philip Golden Bartlett Professor of Economic History, Yale University
