

The Oxford Handbook of PUBLIC POLICY

mentorship of Robert E. Goodin, a large group of intellectually attractive
entire field of political science in an unbiased multi-paradigmatic
would make a nice logo for this monumental collective work of the
oks: what moves us forward is looking back at what we know.”
professor of Political Science, Hertie School of Governance,
nstitute for Social Science, Humboldt University, Berlin.

he major substantive areas and approaches in modern political
et is a must-have for scholars and students alike. Each volume is crafted
editors who have assembled critical, comprehensive essays to survey
ge and emerging issues in the study of politics. These volumes will
o to shape the discipline for many years to come.”

l, Victor S. Thomas Professor of Government and Sociology,
e Graduate School of Arts and Sciences, Harvard University.
