# THE SUBSTANTIVE LAW OF THE EU

## *The Four Freedoms*

SIXTH EDITION

*'A thorough, theoretically grounded textbook, which explores the free movement law of the EU in impressive detail.'*

Professor Phil Syrpis, Professor of EU Law, University of Bristol

*'Indispensable reading for EU law students and academics generally who are seeking a deeper understanding of what makes EU law as a discipline so important.'*

Dr. Graham Butler, Associate Professor of Law, Aarhus University

Detailed, critical, clear, and visual: unparalleled coverage of the four freedoms of the EU.

Popular with students and academics alike, this authoritative text provides a thorough analysis of the key principles of the substantive law of the EU.

- Case studies put the law in context, helping you to understand the complexities of key topics and their practical implications
- Expert critique paired with accessible explanations, from a leading academic, make this book ideal for both those new to the subject and those looking to further their understanding
- Diagrams and flowcharts provide a visual summary of essential concepts
